INDEPENDENT AUDITORS' REPORT

To The Board of Directors
ReBuild Metro, Inc. and Subsidiaries
Baltimore, Maryland

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of ReBuild Metro, Inc. and Subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of ReBuild Metro, Inc. and Subsidiaries as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ReBuild Metro, Inc. and Subsidiaries, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ReBuild Metro, Inc. and Subsidiaries' ability to continue as a going concern for one year after the date that the consolidated financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ReBuild Metro, Inc. and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ReBuild Metro, Inc. and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Consolidated Schedule of Expenditures of Federal Awards on page 32 is presented for purposes of additional analysis as required by the Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the consolidated financial statements. The accompanying consolidating schedules are presented for additional analysis and are not a required part of the consolidated financial statements. The above described supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Consolidated Schedule of Expenditures of Federal Awards and other supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 29, 2022 on our consideration of ReBuild Metro, Inc. and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ReBuild Metro, Inc. and Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ReBuild Metro, Inc. and Subsidiaries' internal control over financial reporting.

NOTE A – NATURE OF ACTIVITIES

ReBuild Metro, Inc. (RBMI) (formerly TRF Development Partners, Inc.) is a Pennsylvania not-for-profit Corporation that was formed on March 15, 2007 to redevelop land, participate in real estate transactions and build affordable homes in communities throughout the Mid-Atlantic region, concentrating in areas where it can create opportunities for working families. RBMI seeks to create wealth and opportunity for the communities it serves by making real estate investments that reinforce community assets, revitalize downward markets and create suitable environments for market growth. Its investment process seeks long-term sustainable change and requires effective partnerships with neighborhood organizations, local governments and private developers.

RBMI and Subsidiaries (the Company) is comprised of:

Entity Name	Abbreviation
ReBuild Metro, Inc.	RBMI
ReBuild Metro- Baltimore, LLC	Baltimore
ReBuild Metro- Philadelphia, LLC	Philadelphia
ReBuild Metro- Property Management, LLC	Property Management
East Baltimore Managing Member, Inc.	EBMM1

ReBuild Metro- Baltimore 2, LLC	Baltimore 2
ReBuild Metro- Greenmount, Inc.	Greenmount
ReBuild Johnston Square Partners, LLC	Johnston Square

RBMI is the sole-member in all first-tier subsidiaries. Some subsidiaries have second-tier subsidiaries with outside members (see Note B-2).

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The Company maintains its accounts and the consolidated financial statements have been prepared on the accrual basis of accounting, which conforms to accounting principles generally accepted in the United States of America (U.S. GAAP). The Company follows Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958, *Not-for Profit Entities* (FASB ASC 958). Under FASB ASC 958, the Company is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

1. Basis of Accounting – Continued

Net assets with donor restrictions include all gifts from grantors that are restricted in some manner to their use or time. This restriction can be temporarily restricted or permanently restricted. Net assets with permanent donor restrictions would be designated by the donors to be invested in perpetuity. The Company did not have any net assets with permanent donor restrictions as of December 31, 2021 and 2020.

2. Basis of Consolidation

The consolidated financial statements of RBMI include the accounts of all subsidiaries (see Note A). Certain subsidiaries also have second-tier subsidiaries and their accounts are included. These second-tier subsidiaries are:

First-Tier Subsidiary	Second-Tier Subsidiary Name	Abbreviation
Baltimore	East Side Partners, LLC	ESP
Baltimore	ReBuild Metro- 1500, LLC	1500

All intercompany accounts and transactions have been eliminated in consolidation. The consolidated net assets includes the non-controlling interest for EBH2, EBH3, Members, and Buford as of December 31, 2021, and EBH1, EBH2, EBH3, Members, and Buford as of December 31, 2020.

3. Use of Estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

4. Revenue and Expense Recognition

Contracts with customers for sales of properties or developer rights are considered to have a single performance obligation, to transfer title to the customer. The transfer of title occurs when a house is fully developed and a buyer is determined. Warranties provided under the Company's contracts with customers are assurance-type and are included as elements of the single performance obligation. Historically, warranty costs have been immaterial to the consolidated financial statements and therefore, the Company records warranty costs as incurred instead of estimated when the revenue is recognized. No liability for warranties has been included in the consolidated financial statements.

Contracts with customers for contractor and developer fee revenue are also considered to have a single performance obligation. Revenue is recognized when the property is developed and either available for sale or placed in the rental portfolio.

The Company recognizes rental revenue in the period it is earned. Rents received in advance of when earned are deferred until earned. All leases between the Company and the tenants of the properties are operating leases and are generally for one year.

Contributions are reported as increases in net assets without donor restrictions unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Expirations of donor restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as releases of restrictions between the applicable classes of net assets.

5. Fair Value Measurements

The Company determines the fair value of certain assets and liabilities through the application of FASB ASC 820, *Fair Value Measurements and Disclosures*. The standard clarifies that fair value is the amount that would be exchanged to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date.

6. Cash and Cash Equivalents

For financial reporting purposes, the Company considers all highly liquid debt instruments purchased with an original maturity of three months or less, and with no restrictions, to be cash equivalents. U.S. GAAP requires that restricted cash be included in cash and cash equivalents on the consolidated statements of cash flows.

7. Credit Risk

Financial instruments, which potentially subject the Company to concentration of credit risks, consist primarily of cash and cash equivalents. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. The Company had approximately $4,200,000 of uninsured deposits at December 31, 2021. The Company has not experienced any losses and believes it is not exposed to any significant credit risk as a result of these deposits.

8. Accounts Receivable and Bad Debt

Tenant rent charges for the current month are due on the first of the month. Tenants who are evicted or move-out are charged with damages or cleaning fees, if applicable. Tenant receivables consist of amounts due for rent or the charges for damages and cleaning fees. The Company does not accrue interest on the tenant receivable balances. Tenant receivables are reported net of an allowance for doubtful accounts. Management's estimate of the allowance is based on historical collection and a review of the current status of tenant accounts receivable. The Company policy of evicting tenants, who have fallen behind on their rent payments, was altered by the COVID eviction moratorium, which functionally extended the moratorium throughout 2021. In response to these conditions, the Company is working on obtaining assistance for tenants who are behind on their rent but were not evicted during the moratorium. At December 31, 2021 and 2020, the allowance for doubtful accounts was $246,261 and $23,447, respectively.

9. Property and Equipment

Property and equipment with a cost in excess of $5,000 is capitalized and depreciated over its estimated useful life. Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed using the straight-line method over the useful lives of the assets. All property and equipment have an estimated useful life of between five and 27.5 years. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. As of December 31, 2021 and 2020, 208 and 213 units, respectively, were included within the six rental properties.

10. Loans Receivable

Loans receivable are stated at the principal amount outstanding. Interest income on loans is accrued at the principal outstanding at the loans' stated interest.

11. Property Held for Development or Sale

Residential property held for development or sale is stated at cost. Cost includes land, land approval and improvement costs, direct construction costs, construction overhead costs, interest and other indirect costs of development and construction. Housing construction and related costs are charged to cost of housing sales, generally under the specific identification method.

Held for sale units are measured at the lower of its carrying amount or net realizable value and a loss is recognized for any carrying amount greater than the fair value less cost to sell. Fair value measurements of held for sale units are considered Level 2 measurements in the fair value hierarchy. The estimated fair value for held for sale units is based on quoted prices for similar units in similar active markets.

12. Impairment of Long-Lived Assets

In accordance with FASB ASC 360 *Impairment or Disposal of Long-Lived Assets*, the Company reviews its investment in rental real estate for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or net realizable value. The Company did not have any impairment charges as of and for the years ended December 31, 2021 and 2020.

13. Restricted Cash

Restricted cash represents cash held for house deposits, security deposits and replacement reserves. Restricted cash also includes cash in escrow for insurance, taxes or interest on loans payable. Restricted cash is included within other assets.

14. Other Non-current Assets

Included in non-current assets are costs incurred in connection with obtaining tax credits, which are being amortized over a term of 15 years using the straight-line method in accordance with the tax credit compliance period. Also included in non-current assets are developer rights, which are capitalized into inventory when parcels of land are acquired for redevelopment. The development rights, net of subsidies, were included in other non-current assets at $119,643 as of December 31, 2020. During the current year, Mount Holly reached an agreement with the township of Mount Holly, New Jersey and the contractor to sell the development rights to the contractor for $822,000.

15. Deferred Revenue

The Company has received various project funding from different sources to offset their construction costs. While units are in the process of being constructed or held for sale, this funding is recorded net within the balance of residential property held for development or sale. When a unit is sold, this funding offsets a portion of the costs of units sold. Funding allocated to units that have been designated as rental units is recorded as deferred revenue and is accreted over the estimated useful life of the rental units. This funding was from various grants, contracts or forgivable loans. Included in other income on the consolidated statement of activities for the years ended December 31, 2021 and 2020 is accretion income of $84,053 and $83,263, respectively.

16. Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the loans payable to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using the straight-line method on the related loan. U.S. GAAP requires that the effective interest rate method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not material to the consolidated financial statements for the years ended December 31, 2021 and 2020.

17. Warranty Costs

The Company provides a limited warranty on the homes it sells as set forth in its agreement of sale with the buyer. The Company's standard warranty requires the Company or their subcontractors to repair or replace construction defects during such warranty period, during the first year after the sale, at no cost to the home buyer provided that the home buyer did not create the defect. In addition, the Company, through a third party, provides the buyer with a ten-year warranty for a new home and a three-year warranty for a rehabilitated home. Warranty expense for the years ended December 31, 2021 and 2020 was $110,273 and $109,151, respectively.

18. Income Taxes

The Company is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) and comparable state law, and contributions to it are tax deductible within the limitations prescribed by the Code. The Company has been classified as a publicly-supported organization, which is not a private foundation under Section 509(a) of the Code.

RBMI files a consolidated income tax return and pass-through income tax returns are filed for 1700, EBMM1, EBMT1, EBMM2, EBMTM2, EBMM3, EBMTM3, Scotland, Buford and Members (the other entities are disregarded entities for income tax purposes) in the United States federal jurisdiction and various states. FASB ASC 740, *Accounting for Income Taxes*, requires the Company to recognize or disclose any tax positions that would result in unrecognized tax benefits. The Company has no positions that would require disclosure or recognition under the topic.

19. Functional Expenses

The costs of providing program, administrative, and fundraising activities have been summarized on a functional basis in the notes to the consolidated financial statements (see Note J). Certain costs have been allocated among the programs and supporting services benefited. Occupancy, depreciation, and repairs and maintenance are allocated based on estimated square footage and usage of the assets. Salaries, payroll taxes and related costs are allocated based on estimates of time and effort. Other expenses are allocated based on estimates of actual use.

20. Recent Accounting Pronouncements

In February 2016, FASB issued ASU 2016-02, *Accounting for Leases (Topic 842)*, which requires that all leases greater than twelve months be presented on the consolidated statements of financial position, and, as amended, is effective for the year ending December 31, 2022. The Company will evaluate the effect that implementation of the new standard will have on its consolidated financial statements.

21. Reclassifications

Certain 2020 amounts have been reclassified to conform to the 2021 presentation. These reclassifications had no effect on previously reported changes in net assets.

22. Subsequent Events

The Company has evaluated subsequent events through June 29, 2022, which is the date the consolidated financial statements were available to be issued. See Notes F and L.

NOTE C – LOANS RECEIVABLE

RBMI loaned $800,000 and $300,000 to Manalapan, a third party, in July 2011 and January 2013, respectively. The loans accrue interest at 1% compounded annually. The loans are due in July 2041 and January 2043, respectively. As of December 31, 2021 and 2020, the loans and accrued interest receivable totaled $1,211,347, and $1,200,347, respectively, with an allowance for doubtful collection of $111,347 and $100,347, respectively. EBH1 owns houses under the Neighborhood Stabilization Program (NSP). Under this program, when a house is sold, 10% of the sales price is held back and only receivable if the buyer moves out within the first ten years.

NOTE C – LOANS RECEIVABLE – Continued

When a house in the NSP program is sold, EBH1 records a loan receivable and releases a portion of the loan over ten years until the balance is reduced to zero. As of December 31, 2021 and 2020, the loan receivable net of forgiveness was $15,330 and $17,520, respectively. Loan forgiveness during the years ended December 31, 2021 and 2020 was $2,190 and $4,745, respectively.

During 2021, RBMI signed a promissory note up to a total of $2,700,000 to a partner to finance the development work on a project. The loan receivable is non-interest bearing and will mature forty years after the loan is converted to a permanent loan. The loan is secured by the property to be developed on this project. The balance at December 31, 2021 was $2,700,000.

NOTE D – PROJECT FUNDING AND DEFERRED REVENUE

As of December 31, 2021 and 2020, the balances of project funding subsidies included in deferred revenue are summarized as follows:

Company	2021	2020
Oliver	$ 2,103,998	$ 2,103,998
EBH1	74,924	74,924
Holdings	140,791	140,791
Total project funding	2,319,713	2,319,713
Less: accumulated accretion	(808,837)	(725,239)
Deferred accretion revenue, net	$ 1,510,876	$ 1,594,474

Other, non-project funding related, deferred revenues included in the deferred revenue, net balance are minor and insignificant.

NOTE E – DEBT ISSUANCE COSTS

Debt issuance costs are included as a reduction to the related loans payable and are amortized over the life of the loan. If a project is still in development, the amortized costs are capitalized to development. At December 31, 2021 and 2020, the details of debt issuance costs are as follows:

	2021	2020
Debt issuance costs	$ 539,031	$ 504,845
Less: accumulated amortization	(340,387)	(297,871)
Debt issuance costs, net	$ 198,644	$ 206,974

For the years ended December 31, 2021 and 2020, amortization expense of and $42,516 and $92,834, respectively was included as a component of interest. Future amortization expense from deferred financing costs to be included with interest expense is as follows for the next five years and thereafter for years ending December 31:

2022	$ 63,354
2023	11,991
2024	3,215
2025	3,215
2026	3,215
Thereafter	113,654
Future amortization	$ 198,644

NOTE F – LOANS PAYABLE

Loans payable – RBMI

Liberty Bank – RBMI has two mortgage loans for Affordable Housing Program funds from the Federal Home Loan Bank (FHLB), which are secured by a fourth mortgage lien on the fixed assets and the land of an affordable housing project named Manalapan in Manalapan, New Jersey.

As of December 31, 2021 and 2020, the outstanding balances were $800,000 and $300,000. The term of the loans are 30 years from July 29, 2011 and January 13, 2013, respectively, and accrue 0% interest per annum. The funds were loaned to the Manalapan project at 1% interest per annum compounded annually and are due in July 2041 and January 2043, respectively (see Note C).

Mayor and City Council – In May 2016, RBMI and The Mayor and City Council of Baltimore entered into a loan agreement on behalf of The East Baltimore Historic III project. The loan in the amount of $2,000,000 was acquired for supporting a portion of the hard construction costs of the project named East Baltimore Historic III. During the construction loan period, interest shall not accrue on the advanced loan proceeds. As of December 31, 2021 and 2020, the outstanding balance was $2,000,000 and $1,998,438, respectively.

The permanent loan period is a ten-year period commencing immediately upon the end of the construction loan period. No payments or interest shall be accrued. The maturity date is the last day of the permanent loan period. Upon the completion of the permanent loan period, if RBMI follows all terms and conditions of the loan documents, the loan shall be forgiven upon the expiration date. The project finished construction during the year ended December 31, 2020.

Robert W. Deutsch Foundation – In May 2016, RBMI obtained a loan of $500,000 from Robert W. Deutsch Foundation. The loan, acquired to continue investment activities in East Baltimore Historic III, is subordinate to all other creditors of RBMI. During the year ended December 31, 2020, the loan was paid in full.

Ford – In December 2017, RBMI acquired a 2016 Ford F150 pickup truck. The loan accrued interest at 3.9%. Monthly principal and interest of $366 were due through October 2023. During the year ended December 31, 2020, the vehicle was disposed of and the loan paid in full.

Subsequent to year end, in April 2022, RBMI obtained a $1,000,000 loan at an interest rate of 2%, with the entire principal balance due on April 30, 2025. The loan allows for one two-year extension.

Loans payable – Baltimore

Disability Opportunity Fund – In August 2007 and June 2009, Baltimore obtained financing from the Tzedec Economic Development Fund in the amounts of $600,000 (Loan 1) and $600,000 (Loan 2), respectively, both loans maturing on December 31, 2024. The loans bear interest at 2% per annum, with interest only due until the maturity date with no prepayment penalty. During 2017, both loans were transferred from the Tzedec Economic Development Fund to the Disability Opportunity Fund. At December 31, 2020, the outstanding balances were $490,469 (Loan 1) and $490,469 (Loan 2). During the year ended December 31, 2021, the loans were paid in full.

Subscription Notes – Between September 2006 and September 2009, Baltimore sold promissory notes (subscription notes) to private investors. The subscription notes are general obligations of Baltimore and are supported solely by Baltimore's promise to pay. The subscription notes bear interest at 2% per annum, due bi-annually and have no prepayment penalty. The subscription notes are not secured by any specific asset of Baltimore and are subordinate to project-related senior debt and all operation costs of Baltimore. Subscription notes mature between September 2024 and June 2037. At December 31, 2021 and 2020, the outstanding balance was $5,683,574.

NOTE F – LOANS PAYABLE – Continued

Loans payable – Baltimore – Continued

Mayor and City Council of Baltimore – In November 2009, Baltimore obtained a loan with the Mayor and City Council of Baltimore to be assigned to home buyers in the amount of $1,300,000. The loan bears interest at 3% per annum and matures in March 2043. The debt is secured by a second mortgage lien position. At December 31, 2021 and 2020, the outstanding balance was $697,223.

The Reinvestment Fund (TRF) – In June 2017, Baltimore, acquired an unsecured loan of $250,000 from TRF. The loan, acquired to continue investment activities, is subordinate to all other creditors of Baltimore. The loan creates no equity investment in Baltimore and is supported solely by Baltimore's promise to pay.

The amount outstanding under this loan is due and payable on June 30, 2027. Baltimore may prepay the loan at any time without penalty or premium. Interest shall accrue at a rate of two percent (2%) per annum. Interest will be paid on the maturity date as well as on an annual basis on or about December 31 of each calendar year up to the time of the maturity date, provided that Baltimore, in its sole reasonable discretion, has determined that sufficient funds are available to pay. NOTE G – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions of $1,500,000 as of December 31, 2020 was restricted for the Greenmount project. The net assets were released during the current year. The project is complete and the funds have been spent.

NOTE H – RELATED PARTY TRANSACTIONS

RBMI and Subsidiaries are related through common ownership. Within the group, various related party transactions occur such as: management fees, loans payable / receivable, interest, leases and development costs. Some entities also provide financial assistance to other entities when necessary. These transactions are all eliminated on the consolidated financial statements.

Some subsidiaries have subsidiaries who do business with parties that are related to their non-controlling member. TD Bank is an affiliate of the investing members of EBH2 and EBH3 as of December 31, 2021 and EBH1, EBH2 and EBH3 as of December 31, 2020. In total, the outstanding debt owed to TD Bank was $9,825,694 and $10,470,235 as of December 31, 2021 and 2020, respectively.

NOTE I – LIQUIDITY

The Company's financial assets available within one year of the consolidated statements of financial position date for general expenditures are as follows as of December 31, 2021 and 2020:

	2021	2020
Cash	$ 4,180,859	$ 3,792,520
Accounts receivable, net	119,436	301,833

Less amounts with donor restrictions	-	(1,500,000)
Total	$ 4,344,528	$ 3,211,174

The Company has a policy to structure its financial assets, typically consisting of cash and receivables, to be available as its general expenditures, liabilities, and other obligations become due.

NOTE I – LIQUIDITY – Continued

The Company refinanced notes payable for EBH1 and EBH2 subsequent to year end. The intent of the EBH structure was to sell some of these units and refinance the balance of the units. The project financing structure includes language offering initial loans with a five year maturity and renewals after years two, four and five. This structure is specifically designed to meet the Company's programmatic goals of creating a sustainable real estate market. The financial design has multiple expiration and extension possibilities, which allows for both the sale of homes and the continued leasing of homes based on market demand, rather than it being based on a single date certain time horizon within the initial loan structure. As each loan nears its maturity, the Company will both extend the loan and sell properties secured by the loan to ensure proper liquidity.

In addition to the EBH1 and EBH2 structures, the Company has land holding and development rights in New Jersey. In 2021, the Company sold its development rights to properties in Mt Holly, New Jersey for $822,000 per the Mount Holly Settlement Agreement. In addition, Mount Holly paid $150,000 of the Self-Help Venture Debt ($400,000) and negotiated for the balance of the loan and accrued interest (totaling $433,950) to be forgiven in the form of a grant back to RBMI to be used to increase affordability for the individual homeowners in the Mt Holly project. In 2018, RBMI sold its development rights in Jersey City which included a $542,000 payment in February 2020 and additional payments equal to 25% of the project's $3,038,000 developer fee to be paid out of the project's permanent financing proceeds and/or project cash flow. Collectively, the New Jersey projects are anticipated to generate approximately $1,600,000 from fees/sale proceeds and $433,950 in debt assignments. In 2021, the company realized $822,000 in sale proceeds and $433,950 in debt assignments and anticipates future fees of $759,000 from the Jersey City project.

NOTE M – THIRD PARTY MANAGEMENT AGREEMENT

Buford is managed by a third party management company, Ingerman Management Company (the Agent). The management agent certification provides for a management fee of 7.45% of effective gross income, as defined in the management agent certification. For the year ended December 31, 2021 and 2020, $33,073 and $32,631 was charged to operations.

Pursuant to the company incentive management agreement, Buford is to pay the Agent and Members a non-cumulative annual incentive management fee equal to 89.99% of net cash flow available for distribution. This fee is for services in connection with administration of company affairs and is payable in the priority and manner defined in the operating agreement. For the year ended December 31, 2021 and 2020, $53,481 was charged to operations.

The Agent pays expenditures (primarily payroll, office expense, and advertising) on behalf of Buford and is reimbursed the following month. During the year ended December 31, 2021 and 2020, total expenditures were $110,720 and $117,464, respectively.

NOTE N – MEMBERS EQUITY AND CASH FLOW DISTRIBUTION

EBH2, EBH3, Buford, and Members all had non-controlling interests in 2021. EBH1, EBH2, EBH3, Buford, and Members all had non-controlling interests in 2020. Managing and 481 Corp.'s contributions are generally recorded as received. Profits and losses are allocated to the members in the order of priority defined in the operating agreements (generally based on ownership percentages). Net cash flow, to the extent available, shall be distributed within ninety days after the close of each fiscal year based on various guidelines as set forth in the operating agreements.

NOTE O – BUSINESS RISK

The Company is the developer of subsidized housing to benefit low-to-moderate income households. The subsidies significantly lower the sales price of the houses, which makes the houses more affordable and available to qualified buyers. This subsidy lowers the market and performance risk compared to traditional for-sale housing. Measures taken by management include careful selection of site management and advisory personnel, attention to planning and marketing and development activities, and selection of contractors that have demonstrated knowledge and expertise in previous real estate activities. Property Management is the management company for all subsidiaries under RBMI's control.

NOTE P – COMMITMENTS AND CONTINGENCIES

Development and sale of real property creates a potential for environmental liability on the part of the developer, owner, or any mortgage lender for its own acts or omissions, as well as those of current or prior owners of the subject property or adjacent parcels. If hazardous substances are discovered on or emanating from any of the Company's properties, the owner or operator of the property (including the prior owners) may be held strictly liable for all costs and liabilities relating to such hazardous substances. The Company undertakes environmental studies in connection with property acquisitions. The Company is not aware of any material environmental liabilities associated with any of its projects.

Baltimore has a loan with Baltimore Housing through the Department of Housing and Community Development (DHCD). This loan is to be used to pass to home buyers as a second mortgage. The loan is in the amount of $1,300,000, of which all has been received and $602,777 has been assigned to home buyers, cumulatively as of December 31, 2021 and 2020, respectively. Certain units sold by Baltimore to qualified home buyers are required to be owned by a qualified home buyer for a period as defined within the project funding agreements with certain grantors. These project funding agreements allocate portions of the award to the units named per the agreement. Baltimore transfers the obligation for the unit to be maintained by a qualified home buyer at the time the unit is sold. Baltimore is contingently liable for the repayment of the award to the grantor if the qualified home buyer does not remain compliant with the terms of the agreement through the date defined.

Certain properties owned by subsidiaries are eligible for investment tax credits for qualifying rehabilitation expenditures pursuant to Section 47 of the Code. These subsidiaries are required to comply with various rules and regulations and failure to comply with these or other requirements could result in the recapture of already taken tax credits.

In the normal course of business, the Company is subject to various pending or threatened litigation. In the opinion of management, the ultimate resolution of such litigation will not have a material adverse effect on the Company's consolidated financial statements.

NOTE Q – COVID-19 IMPACT

The Company's business is operating in an environment in which a pandemic exists in relation to the novel coronavirus, COVID-19. The Company has obtained an SBA Loan through the Paycheck Protection Plan (PPP loan) of $295,207, which was recognized as income during the year ended December 31, 2020. This loan was fully forgiven. In February 2021, the Company received another PPP loan in the amount $284,828. This was fully forgiven on September 29, 2021 and recognized as income during the year ended December 31, 2021. As of the date of these consolidated financial statements, the Company does not have any additional liabilities resulting from COVID-19 and its operations have not been significantly impacted by the virus. However, there are tenants who have fallen behind on their rent payments and the Company is not allowed to evict them. The Company is working on obtaining assistance for these tenants. The impact of COVID-19 on future financial conditions and results of operations cannot be reasonably estimated.

NOTE A – BASIS OF PRESENTATION

The accompanying consolidated schedule of expenditures of federal awards includes the federal grant activity of ReBuild Metro, Inc. and Subsidiaries and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of the Federal Regulations Part 200, *Uniform Guidance Administrative Requirements, Cost Principles, and Audit Requirements for Federal and Non-Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from the amounts presented in, or used in the presentation of, the basic consolidated financial statements.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement. The Company did not elect to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE C – LOANS PAYABLE BALANCES

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
ReBuild Metro, Inc. and Subsidiaries
Baltimore, Maryland

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of ReBuild Metro, Inc. and Subsidiaries, which comprise the consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated June 29, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered ReBuild Metro, Inc. and Subsidiaries' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of ReBuild Metro, Inc. and Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of ReBuild Metro, Inc. and Subsidiaries' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ReBuild Metro, Inc. and Subsidiaries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors
ReBuild Metro, Inc. and Subsidiaries
Baltimore, Maryland

Report on Compliance for Each Major Federal Program

We have audited ReBuild Metro, Inc. and Subsidiaries' compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of ReBuild Metro, Inc. and Subsidiaries' major federal programs for the year ended December 31, 2021. ReBuild Metro, Inc. and Subsidiaries' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of ReBuild Metro, Inc. and Subsidiaries' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about ReBuild Metro, Inc. and Subsidiaries' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of ReBuild Metro, Inc. and Subsidiaries' compliance.

Opinion on Each Major Federal Program

In our opinion, ReBuild Metro, Inc. and Subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Report on Internal Control over Compliance

Management of ReBuild Metro, Inc. and Subsidiaries is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered ReBuild Metro, Inc. and Subsidiaries' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of ReBuild Metro, Inc. and Subsidiaries' internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that have not been identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
